If you have only three days to do something that you won't forget for the rest of the life, then this is a must do: A quick but well organized tour across the cultural heartland of Sri Lanka, hopping from one major UNESCO world heritage to another. Watch elephants bathe in the river during a stop at the Pinnawala elephant orphanage on your way to world famous Dambulla cave temple. The temple, which has one of the oldest rock paintings in the world, will blow your mind. Climbing back down the rocky steps of Dambulla, you will move on to visit to another UNESCO world heritage, the even more impressive Sigiriya fortress city, one of the best preserved planned urban communities of the ancient world.

A boat ride across Hiriwadunna Lake and a traditional lunch along with a complimentary Ayurvedic massage will relax you before you drive to the World Heritage city of Kandy for a visit to the famous Temple of the Tooth, one of the most important Buddhist sites in the world.
